India Boating, a bi-monthly, is India's first luxury Boating Magazine. It provides the latest news, information and exhilarating insights about the world of luxury boats and yachts. In fact, it encompasses virtually everything to do with the marine leisure industry in India and around the world.

With editorial contribution from some of the biggest names in the boating industry, each issue covers diverse topics of interest to luxury boat owners and enthusiasts.

India Boating is a result of the sea change that India is undergoing. It is the first boating magazine aimed specifically at India's High Net-worth Individuals, some of whom are already owners of luxury yachts or who have the capacity to influence decisions.
